NO TIME TO STOP!

With Unimogs being shipped off to exotic locations, customers machines still filling our workshop and spares flying out of the office faster than Susan can pack them, we are busy, busy, busy!

OFF TO PASTURES NEW

Here are 4 more Unimogs that left our yard this month.

The top left is a little U900 that is loaded up ready to for its trip to Kent. The U1100 in the top right corner is off on a slightly longer journey all the way to Africa! The U1200 in the bottom left hand corner is also off on quite a journey to Holland and the little U900 in the bottom right is not going quite so far as the others and is on its way to Wales.

For more information on these Unimogs and what they are off to do, please visit our newsletter.

WORKSHOP UPDATE

Once again we have been very busy in our workshop. Here is Alexis Zarins U1000 and TP 150 PH getting loaded up ready for its trip back home to Suffolk. The Unimog has been in our workshop for a full overhaul as well as a replacement cab. For more details on the work that this mog has had done and an insight to what we can do, please visit our newsletter and our workshop section on our website.

NEW TO THE WEBSITE

We are always trying to come up with great deals for our customers and to let you know about them as soon as they come available. We have now introduced a new DEALS page on our website which means you guys can keep up to date with all our latest offers! The page is up and running and we have some great accessory and workshop deals to get us started. So make sure you don't miss out on any of our great deals and get that page in your favourites!

UNIMOG CORNER

*Again, we have quite a selection of Unimogs doing different things this month!
To read more about the teetering U1200 or the little 411's in Africa, please visit our newsletter.*

Well, that's all from me for this month!

*Bye for now!
