### **CHOCKS AWAY!**

*It's not every day a helicopter lands in our yard, so we thought we'd best take a picture, and no, its not Franks new mode of transport! To find out what its doing slap bang in the middle of our yard, click here to go to the newsletter.*

### **CREAM OF THE CROP**

*Here is Iain Graham stood smiling next to his lovely looking Unimog U1200AG. Not only did the Unimog have a paint job, we also fitted a number of our Unimog accessories. To read more about this Unimog and what we did to get it looking so lovely, please click through to our newsletter.*

### **DEALS ARE CHANGING!**

*We have changed some of our accessory deals on the website and have gone for a sound-proofing theme this month! So if your cab is noisy and looking a little tatty, these deals are for you! Make sure you check out Franks 60th birthday deals too!! £60.00 off selected accessories and £60.00 off used spare parts orders over £200.00!! We also have some good news on our intercooler deals. Due to a lot of interest in our new intercooler kits, we have extended our special offer to 30th May 2009!!*

### **UNIMOG CORNER**

*First up this month is this U2100 from Germany. When I thought I had seen all uses for a Unimog, up pops another one!*

*Next up is this U1100. Last time we saw it, it was being loaded up ready to start its long journey to its new home in Zambia. Well, its made it!*

*Well, thats all from me for this month!  
Bye for now!
