*Hello all! Welcome to Atkinson Vos May 2010 Newsletter!
Another busy month for us all here with spares deals, sold Unimogs
and customers machines in for various jobs. Keeps us all out
of trouble!*

HOME SWEET HOME

*Some of you may remember from the March newsletter, a red Unimog U1200 which was about to set off on its travels to Houston, USA.
Well it has finally landed and is working hard down on the farm! [Click here to read more.](#)*

TRIP TO CHINA

*Last month I mentioned Adam and Chloe who have recently bought a U1300L to travel the world!
[Please click here for a full run-down of their trip and where they are at so far.](#)*

ANOTHER LORRY LOAD OF LOVELY UNIMOGS!

*These two Unimogs are all loaded up for a journey down South to their eagerly awaiting new owners!
The green U1250AG is off to Stevenage to work in tree care and landscaping and the orange and blue
U1750L is travelling to Surrey to meet its new owner and their other 2 unimogs previously bought from us.

U2150L38 PROJECT CONTINUES

*I'm sure you all remember the Unimog U2150L38 we had in a while ago at the pricey sum of £60k!
Last month, the new owner from Belgium, kindly sent me some pics and an update and this month I have some more!
[Click here to see how the Unimog is coming along and for more pictures.](#)*

NOW FOR SOMETHING A BIT DIFFERENT....

This picture was sent in by a Unimog enthusiast in Australia. Believe it or not, underneath all that, is a Unimog! This camper started off its life as a Unimog! [Click here to read more.](#)

Well that's all from me this month!

*Thanks,
Emma*
