UNIMOGS TIMBER TRAILERS WOODCHIPPERS SPARES ACCESSORIES WORKSHOP

HAPPY NEW YEAR TO YOU ALL!

We hope 2011 has started off well for everyone and hope it continues to be a good year!

TP LAUNCHES FIRST AFFORDABLE CRANE-FED WOOD CHIPPER

To start off the new year, at a time when money is tight, TP have brought out a new crane-fed chipper with an infeed of 230x240mm at a great price. The chipper AND crane retails at £22,700.00 + VAT. Click through to our chipper website for more details on the model.

NEW PRODUCTS FOR U300-U500

We have added a few more accessories to our range. We can now supply rear linkages and pick-up hitches for the U300-U500 Unimog. We have also developed an intercooler kit for the MB Trac (OM366 engine) as they have proven to be very popular in the Unimog world. Please visit our accessories page for more details.

TOP NOTCH MOG

At the end of last year we sold this U500 to an existing customer of ours. We carried out various jobs on the Unimog and off it went to our customer for the transformation to be completed. [Click here](#) to see how the Unimog looks now.

DO YOU REMEMBER THIS LITTLE GEM?

A while ago we sold a little blue Unimog to a customer over in Mexico. This is what it looked like when it left us and since then it has had quite a lot of T.L.C. spent on it and as you can see, all that T.L.C. has really paid off! You can also view a video of the Unimog on You Tube.

UNIMOGS HAVING A GREAT TIME!

It seems that Unimogs are becoming widely used just for fun these days! An existing customer of ours owns a U1000. He uses it for off-roading and attends almost every 4x4 site on the south coast. Visit our website for information on the various clubs there are and see what they get up to!

FROM OLD TO NOT-SO-OLD

These two unimogs belong to a customer of ours in Germany, who being English, finds it easier to deal with us than his local German Unimog main dealer. He owns a 37 year old 416 which takes his family on summer holidays and has just purchased a newer U1300L which he plans to convert. [Click here for more details.](#)

VAT

Unfortunately with the New Year came some bad news for us with the VAT increase. Just to confirm that as of 4th January 2011, we will be charging VAT at the new rate of 20%.

That's all from me this month!

*Thanks,
Emma*
