ANOTHER 2 UNIMOGS LEAVE THE YARD

There are another 2 Unimogs loaded and ready to leave our yard. The white U1500 came up for work including having one of our new air conditioning units fitted and the U100L is a Unimog we had in to sell on behalf of a customer. STARTING A TREND!

Seems like the Unimog has another use that has been over looked! Last month we had the Unimog being used as a wedding vehicle and this month we have a 416 Unimog being used for a graduation in South Africa! If you have any pictures of your Unimog doing something a bit out of the ordinary, please email them to me at emma@unimogs.co.uk

Well, thats all from me this month!

*Thanks!
Emma*
